THE Rotary Club of Jinja is to distribute 280 wheelchairs to people with disabilities countrywide, **Donald Kiirya** reports.

The club president, William Okello, said they will also donate 1,650 treated mosquito nets to needy expectant women in Kamuli and Jinja districts.

Okello revealed this while guiding a team of Rotarians from San Diego, USA, around projects undertaken by his club at Lord's Meade Vocational College in Mukono district and Butagaya sub-county in Jinja district on Saturday.

The governor of district 5340, San Diego, Philippe Lamoise, led the delegation. Lamoise urged Rotarians to establish more projects that benefit the community. The club has aided blind children in Jinja.
