

The GSE Team from District 9200 arrived in San Diego on Friday April 24<sup>th</sup>.

On April 25 they participated in Rotarians at Work day with the Chula Vista Sunrise Club.

Jack Blakely, past president of the Chula Vista Sunrise Club obtain tickets for a Padre's Game. The GSE team was invited to watch the game from owner John Moore's suite. They were the best seats in the park with the best buffet including hot dogs, peanuts, chicken wings etc.

We went to the game around 4:30 PM, so Ben could watch Ball practice. They also went to the Rotary flag court. He really enjoyed the game, especially since he coaches little league team in his home town. The big treat was that Marta Knight's son caught a foul ball and gave it to him.

Marta's husband introduced Ben to the Padre player that had the first hit, a homerun, in the first ever Padre game opening day 1969, 40 years ago and he signed the ball for Ben. He was so happy.

Sunday the Kinghts went to mass at the Mission de Alcala where Ben was introduced to the priest and he took beautiful pictures. Ben wore his traditional church gown. In the afternoon they watched Rain at the Balboa Theater, which was a musical of all Beatles music.
